

ENVIRONMENTAL POLICY

Fleetwood Corporation actively seeks to minimise and manage the impact of our operations on the environment.

OBJECTIVES

Our primary objectives are to:

- Comply with all applicable environmental legislative requirements.
- Integrate environmental management in our everyday operations.
- Improve resource consumption efficiency and minimise waste generation.

STRATEGIES

To achieve our objectives, we will:

- Manage our activities to prevent pollution and minimise adverse environmental impacts through the selection and use of appropriate materials, processes, equipment and services.
- Set environmental objectives and targets to ensure continuous improvement.
- Measure, monitor and report on environmental performance.
- Consult with our clients, suppliers and other stakeholders to continually improve our processes which affect the environment.
- Understand and manage our environmental risks with the goal of minimising and eliminating those risks.
- Monitor and comply with relevant environmental laws and standards.
